About the Exhibition

FOST Gallery is pleased to present *Echoes of Anticipation*, a group exhibition to reflect on FOST Gallery's programming for 2014 as well as a preview of its exciting upcoming programme for 2015.

The highlight of next year will be a series of solo exhibitions by four young Singaporean artists, in conjunction with Singapore's celebrations of 50 years of independence. While we celebrate Singapore's illustrious history, we also want to look into the country's future and we hope that these young artists can play a part in Singapore's art history for the next fifty years.
